Amos condemns the people of Zion in today's first reading, for they relax in complacency and self-absorption while their country is collapsing. In the Gospel, Jesus condemns the rich man to an eternity in torment after he spent his life in luxury while ignoring the beggar at his gate. Whom do we ignore while enjoying the comfort of our own lives? As we listen to God's word, let us look at our life from the point of view of someone like Lazarus. How would someone like him see us?

Into the Deep Strategic Planning: There are some real and widespread roadblocks that we need to address...LAITY. For many years now we have struggled to build strong and healthy families and to form our people, both young and old, into being committed disciples of Jesus Christ. As such, many of our parishes are seeing less and less people regularly attend Mass, go to Confession, volunteer, etc., and those who do so are not getting any younger. To stay informed about where God is leading us during this strategic planning process to achieve a brighter future, please sign up at <https://www.intothedeepmadison.org/stay-connected> for our email newsletter. May God help all of us follow Him into the deep!

Go Make Disciples: The Rosary is a prayer for peace in the world and our daily lives. Please join us for the Rosary at St. Andrew's Church on Thu. Oct. 27th at 7 p.m. with Adoration and Benediction to follow. We look forward to this special time of prayer with you.

If you are interested, please call Fr. Dick at (608)763-2671 or Deacon Roger Scholbrock at (563)542-5519.
