Our readings today challenge how we regard wealth and poverty. First, we hear the prophet Amos strongly condemn those who build wealth by cheating the poor. The psalmist declares that the Lord rescues those who are poor. Saint Paul reminds us of the wealth we have in the Lord. In the Gospel, Jesus tells his disciples that they cannot serve both God and mammon. As we listen to God’s word, let us reflect on what we consider true wealth.

**Into the Deep Strategic Planning:** There are some real and widespread roadblocks that we need to address...WORKERS. Many of our parishes, schools, and other institutions were historically staffed by religious sisters, extra priests, and those who could afford to serve there for little more than a “thank you.” But unfortunately, today this is no longer the case, and given this many of our institutions struggle to find and retain faithful and qualified individuals to serve in our ministries. To stay informed about where God is leading us during this strategic planning process to achieve a brighter future, please sign up at <https://www.intothedeepmadison.org/stay-connected> for our email newsletter. May God help all of us follow Him into the deep!

**Go Make Disciples:** The Rosary is a prayer for peace in the world and our daily lives. To find meaning of the Rosary, please view the video “Praying the Rosary Like Never Before” at <https://www.facebook.com/ssandrewthomaschurch> or on the Church website at <https://www.ss-andrew-thomas.org/>. Please join us for the Rosary at St. Andrew’s Church on Thu. Sept. 22<sup>nd</sup> at 7 p.m. with Adoration and Benediction to follow. We look forward to this special time of prayer with you.
