Malachi sets the tone for today's readings with his warning that one day the LORD will destroy all evildoers. Paul addresses the problem that some people, anticipating the end of the world, have stopped working and have become a burden. Jesus speaks of the persecution that awaits. They give hope to those who are faithful, assuring them that they will not be harmed. Let us consider how we can work to increase the number of those who will receive the Son's healing rays.
