### Where Are We in the Process of Into the Deep?

A review of the Mass times

May 28, 2024

Dear Parishioners of St. Joseph the Worker Pastorate:

It is hard to believe but it has been about 1 year since Fr. Mark, Fr. Sudhakar, and I arrived on July 1, 2023. With the announcements of new priest assignments in the Catholic Herald already posted, we are glad to announce that we are able to stay for another year to continue to build on the good work already begun. Since it has been about a year, I decided to review the Mass times with the transition team in the month of April and to visit the different church councils in the month of May. The goal of our Mass schedule is to provide a variety of Mass times offered throughout the pastorate so that there are enough options for people to go to Mass and glorify God, as well as to follow the Into the Deep Guidelines.

In our transition team meeting, each member had the ability to share their opinion about what their local church liked and disliked. Please note that transition team members share their opinions about the church they represent not to promote their own personal preferences, but to express the preferences of their local church. This is really important to remember because transition team members help Fr. Mark, Fr. Sudhakar, and myself serve you better, since we don't have the full knowledge of what it is like to live in your communities as you have.

With that said, we discussed as a transition team the possibility of changing Mass times. We discussed the advantages and disadvantages of many different scenarios, all the while, trying to uphold the Into the Deep principle that we are not trying to have more Masses with less people, but less Masses with more people in order to instill a greater sense of community and faith. At the end of the day, there was a general consensus among transition team members that it would be best for our pastorate if our Mass times stayed the same. While it is not perfect, the consensus was that if we change Mass times, we might be doing more harm than good. Also, the consensus among the team members was that we are all making sacrifices for each, and there is no perfect Mass schedule that will please everyone.

With the advice of the transition team, I met with the church councils to confirm this decision. The only different advice that I received was that the St. Mary's Council believes that St. Mary's parishioners would like Mass to start at 9:30 a.m. instead of 10 a.m., and advised me that, if it were possible, St. Mary's parishioners would benefit from the earlier starting time.

With that said, I discussed the situation with Fr. Mark and Fr. Sudhakar, and we believe that keeping the Mass times the same, with the exception of St. Mary's, which will start at 9:30 a.m. as of July 1, 2024, will achieve our goal of offering a variety of Mass times for our parishioners and upholding the goals of the Into the Deep Initiative. Our ultimate goal is to become a single parish, that is, a united people of God that sincerely cares about each other and is working together towards planting and growing in Grant County a dynamic and active Catholic culture.

May God bless you,  
Fr. Steve Brunner

**Eucharistic Pilgrimage & Renewal:** There are

four Eucharistic pilgrimages taking place. The Marian route that is going through the Midwest, another that began in California, a third originating from Bridgeport, CT, and a fourth that began in Brownsville, TX. All four routes will converge at Indianapolis on July 16 for the Congress July 17-21 where thousands of people will celebrate our Eucharistic faith.

Each of us has a personal, internal pilgrimage to take as well. We can ask, what am I doing to renew myself in the True Presence of Jesus in the Eucharist? We just celebrated Trinity Sunday, where we enter into the Mystery of One God and Three Persons, united in perfect Love; and Corpus Christi, celebrating Jesus' desire to unite Himself totally to us through His gift of Himself in Holy Communion. Do we marvel that Jesus wants to come into our lives and be one with us? That He wants to change us to be more like Himself? Soon-to-be-Saint Carlo Acutis found joy at Mass and by stopping into the church to pray before Jesus in the tabernacle.

Eucharistic renewal begins in our hearts and minds. Ask God for this grace! Then put this desire into action by attending Mass, participating in First Friday Eucharistic Exposition and Adoration, coming to Adoration on Saturdays, or simply stopping by the church to pray before the Lord. Spending time with Jesus will change you!
